For entry into the 2011-2012 LA 3D Club Image of the Year Competition and Show, please select 5 stereo images you submitted in Club competitions from September 2011 through May 2012. The images may be any combination of the 3 categories, Standard, and/or Modified, and/or CGI/Art. Your submissions must be the same digital images you submitted originally in club competition. For submission of your entries, enter <http://la3dclub.com/> and, after moving the cursor to the "Competitions" menu heading, click on the drop-down item, "Competition Uploader." ENTER YOUR TITLES IN THE SAME ORDER THEY APPEAR ON YOUR ENTRY FORM. All entered images will comprise the entire digital "Image of the Year" show at the Annual Banquet in August. If you have lost any digital image files you want to enter, contact Eric Kurland by e-mail at [3d@la3dclub.com](mailto:3d@la3dclub.com) and list the titles numbered to correspond to your Image of the Year entry form; Eric will try to retrieve them from the archives. If possible, include the month you originally submitted each title for club competition.

This year there are 6 special awards in addition to the IMAGE OF THE YEAR 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> PLACE AWARDS:  
 1) Best Landscape for the best portrayal of scenic wonders around the world. 2) All Creatures Great and Small for the best use of animals (not plants or humans). 3) Best People or Person. 4) Most Innovative for the image displaying the most unusual creativity or departure from reality. 5) Most Humorous. 6) The Most Promising New Member Award for the entire group of not less than 5 images submitted by a new member. All new members with less than 2 years in the club are automatically eligible for this award. Your images will be considered for all these awards, but no image will receive more than one award (except that a winning image may also be part of the Most Promising New Member group). Note: MODIFIED CATEGORY images are not eligible for First Place Award.
